From the President

The FNDC requires MetLife Care to double the size of the storm water drain that flows under the RSA drive. This work will start soon and we have assurances that our access will be maintained always, along with the restoration of our drive when the project is completed. MetLife Cares contractors made a good job of filling potholes and restoring a washout at the start of our tar seal.

Please think about the future of 37 Cobham Rd before our AGM. At present, we are financially just making a profit on Bar and Kitchen trade thanks to the hard work of our Bar and Kitchen Staff along with Graham, John and Anne Marie. The overheads on our property are large, and we need many pre-Christmas functions to build up a bank balance to see us through the slow trade months of January and February. Our neighbours on both sides have shown interest in buying our property, and we have started discussions with other Kerikeri clubs on possibilities for the RSA if 37 Cobham Rd was sold. The owners of 37 Cobham Rd (The Kerikeri RSA Trust) will be guided by a consensus of our members on any future action on the property.

Members, please use your RSA.

Warren Gould

President

AGM

Please remember we have our AGM on Sunday 24th of September at 1630. We are still short of some nominations for the committee so if you can see your way to put your hand up then please do. Without our volunteers on the committee the RSA would cease to exist pretty quickly. This will be a very important AGM - if you have not noticed yet, but we are slowly being built out around us. What of the future - please attend and offer your suggestions.

Quiz Nights

If you want some fun then come along to our quiz nights. We have 6 quiz masters who will give you a vast differing type of quizzes. Entry is just \$2 per person plus there are three great raffles for only \$2 a ticket. Come along and join a team or enter a team. The quiz starts at 6:30pm. Our restaurant is open for meals. If you want more information then please ring Frank Lewis on 027 2857118 or email at shallowlake@gmail.com.

Euchre

Euchre is played every Monday from 6.30pm. We have a great team of card players who enjoy the evening. If you want more information contact Murray Anderson at murray.kerirsa@gmail.com.

Function Centre for Hire

We have a wonderful Function Centre available for hire. We can cater for all those functions whether a meeting, wedding for conference. Our restaurant staff will present be only too please to give you a cost for catering.

Please ring the RSA at 09 4078585 and book a date.

Quote from an email received after a recent event held at the RSA - "I was very impressed with the venue / dinner / staff and their willingness to help and ensure the evening was a success".

Our Function centre can help you - just ring us.
